Re: Notice of Violation
RCRA Compliance Evaluation Inspection
EPA ID No.: MNR 000 105 288

Dear Mr. Sherman:

On May 23, 2016 a representative of the U.S. Environmental Protection Agency inspected the Plasti Dip International (Plasti Dip) facility located in Blaine, Minnesota. In response to violations of the Minnesota Rule Chapter 7045 and the Code of Federal Regulations identified during the inspection, EPA issued a Notice of Violation (NOV) on July 8, 2016. Subsequent to EPA's NOV, Plasti Dip submitted information regarding the identified violations in correspondence dated July 29, 2016.

This letter is to inform you that EPA has reviewed Plasti Dip's response and determined that no further enforcement action will be taken at this time. This determination does not limit the applicability of the requirements evaluated, or of other federal or state statutes or regulations. Thank you for your cooperation.

If you have any questions or concerns regarding this matter, please contact Sheila Burrus, of my staff, at (312) 886-3587.

Sincerely,
